# North West Divisional "B/C" Tennis Tournament - 2010

Tournament Manager: Bob Scott

## PROGRAM

Welcome to this year's Divisional Tennis Tournament. Our division will qualify **five (5) singles - girls and five (5) doubles - girls** for the 2010 State B-C Tennis Tournament in Missoula on May 20-22<sup>nd</sup>. All singles and doubles from each boy's team will advance to the state tournament.

### TOURNAMENT SITE RULES

#### PLAYERS:

1. It is the responsibility of the players to report to assigned courts at the proper times. Matches will be played on a next-up basis. If a player is more than 10 minutes late, he/she will forfeit that match. Coaches are responsible for assuring players are on the appropriate court at the appropriate time.
2. A player may request a one-time, three-minute injury time-out from an official.
3. All tennis players in MHSA sanctioned tournaments shall be penalized one team point (on the first infraction) and removed from further play (on the second infraction) for any unsportsmanlike conduct on site **after a match or before the next match or at the end of the tournament**. During the match, players are under the point penalty system of the USTA. Unsportsmanlike conduct will be penalized when observed by a tournament official.
  - a. First offense: **WARNING All players are considered warned prior to taking the court for their first and consecutive matches.**
  - b. Second offense: loss of point
  - c. Third offense: loss of game
  - d. Fourth offense: loss of match

Unsportsmanlike conduct on the tournament site includes, but is not limited to the following examples: throwing rackets or any equipment, swearing, intentionally hitting game balls out of the court, being abusive to tournament officials, and fighting.

4. Warm-ups (to include serving and net play) will be restricted to 10 minutes. Players may prepare for their pre-match warm-up by "loosening up" on the grass adjacent to the courts.
5. Match balls must be picked up at the scoring table before the match begins
6. **Servers MUST call out the game score, loudly and clearly, each time a point is played.** Players receiving serve are expected to **aggressively request** the server to call out the score if it has not been called out clearly. Players are requested to utilize the score cards located at each court.

7. Winners of each match must report directly to the scorer's table with the game balls at the conclusion of the match and report the match results
8. Players call their own games as far as line judging is concerned. **Players only** may initiate requests for the assistance of a site official (line judge, rules or score disputes, etc.)
9. Should any problems arise, a tournament official may be contacted.

#### COACHING:

1. To help speed up matches and to following the guidelines used at the Class B/C State tournament, coaching will be permitted during the following time frame:
  - a) Three minutes will be allowed between Set 1 and Set 2. Players must remain inside the fenced area.
  - b) Ten minutes will be allowed between Set 2 and Set 3. Players must remain at the site, but may leave the court. New balls will be issued for the third set, if requested.
2. Coaches are expected to control their own fans or parents as far as unauthorized coaching is concerned. Authorized coaches will be issued Badges by tournament officials.

#### SCORING:

1. The tie breaker system in use will be the USTA 12-point tie breaker system.
2. To determine divisional champions, each school's team shall be awarded two advancement points for every player advancing on the winner's bracket and one advancement point for those advancing on the consolation brackets, one point also for defaults, forfeits and disqualifications. Byes receive two points on the winner side of the bracket if the player who receives the bye wins the next round and one point if the player who receives the bye wins the next round on the consolation side of the bracket. **Other points awarded shall be first place, 10 points; second place, 7 points; third place, 5 points; fourth place, 4 points; fifth place, 3 points and 6<sup>th</sup> place, 1 point.**

#### SCHEDULING:

1. In the event of inclement weather and need to run an abbreviated format and schedule, a consensus among the coaches will be determined. If the weather eliminates the possibility of an outdoor tournament, we will have to make up matches on the following MONDAY.
2. All matches will begin at 9:00 am on Friday and at 8:00 am on Saturday. **Match times are next-up format.** The times provided in your schedule are tentative at best. A player has a maximum time of 30 minutes between matches. If both players are ready, a match may begin before its scheduled time. A short rules meeting for the players will be held at **8:50 am** on Friday.
3. The Awards Ceremony will immediately follow the championship and consolation matches.

4. Coaches – read through these rules and regulations with your players prior to the start of the tournament. Be sure your players understand their responsibilities.
