2010 STATE B-C TENNIS TOURNEY

TOURNAMENT RULES

The game of tennis is for the players. With that spirit in mind the following site rules will ensure equitable and speedy play and will promote good sportsmanship. We have provided these site rules for the convenience of the friends and fans of our tennis players. We want to remind you that these are similar to but not the official set of rules which the coaches and tournament officials have in their possession.

PLAYERS:

1. It is the responsibility of the players to report to assigned courts at the proper times. Matches will be played on a next-up basis. If a player is more than 15 minutes late, he/she will forfeit that match unless his/her lateness has been the direct result of a previous match, in which case he/she is responsible to get that word to the tournament official at the site where the match is to be played. The coaches are responsible to assure that players are at the appropriate location at the appropriate time.
2. A player may request a one-time, five/ten-minute (or use common sense) injury time-out from an official.
3. **Unsportsmanlike conduct, on site, but not during the match** will be penalized one team point (on the first infraction) and removed from further play (on second infraction).
4. **Unsportsmanlike conduct during the match**, will be penalized when observed by a tournament official using the following progression of consequences:
 - First offense: loss of point
 - Second offense: loss of game
 - Third offense: loss of matchUnsportsmanlike conduct on the tournament site (will be determined by tournament officials) includes, but is not limited to: throwing rackets or any equipment, swearing, intentionally hitting game balls out of the court, being abusive to tournament officials, causing a distraction to other players and fighting.
5. **All players will adhere to the dress code outlined on page 171 of the MHSA handbook. The consequences for failing to comply with the dress code are outlined in the handbook and will be followed by the tournament officials.**
6. Warm-ups (to include serving and net play) will be restricted to 10 minutes. Players may prepare for their pre-match warm-up by "loosening up" on the grass adjacent to the courts.

7. Servers must call out the game score, **loud and clear**, each time a point is earned. Players receiving serve are expected to aggressively request the server to call out the score if it has not been called out clearly
8. Winners of each match must report directly to the scorer's table with the game balls at the conclusion of the match.
9. Players call their own games as far as line judging is concerned. Players, only, may initiate requests for the assistance of a site official (line judge, rules or score disputes, etc.).
10. Should any problems arise, a tournament official may be contacted. The site official will be stationed at the scoring station and an assistant will be roaming the courts. If further remedies are needed the tournament manager may be contacted. Balls must be picked up at the scoring station before the match begins.

COACHING:

11. To help speed up the matches, coaching will be permitted during the following time frame:
 - a) Three minutes will be allowed between Set 1 and Set 2. Players must remain inside the fenced area.
 - b) Ten minutes will be allowed between Set 2 and Set 3. Players must remain at the site, but may leave the court. New balls will be issued for the third set, **if** requested.
 - c) No coaching on changeovers

12. COACHES ARE EXPECTED TO CONTROL THEIR OWN FANS OR PARENTS AS FAR AS UNAUTHORIZED COACHING IS CONCERNED.

SCORING:

13. The tie breaker system in use will be the USTA 12-point tiebreaker system (MHSA Manual, page 143). The player who would have served the next game in succession will begin the tiebreaker by serving one point in the deuce court. The opposing player begins service in the ad court and serves twice. Sides change at 6, 12, 18,... points. The first player (doubles team) to score seven points and lead by two points will be the winner.
14. To determine the team scores at the tournament, two (2) advancement points will be given to those players advancing on the championship bracket and one (1) advancement point for those advancing on the consolation bracket. Byes, defaults, forfeits, and disqualifications receive two (2) points in the championship bracket and one (1) point in the consolation bracket. Player receiving byes must win the next round in order to receive advancement point(s). Other points awarded shall be first place 10 points; second place 7 points; third place 5 points; fourth place 4 points; fifth place 3 points; sixth place 1 point.

15. The entire tournament will be “2 out of 3 sets match format” unless weather becomes a problem.

If we are forced to change the format (due to bad weather) of the tournament, the following will apply: Players who have completed at least one set will complete that match on the set-scoring basis. Players who have not completed one set will begin a new match on the Pro 8 basis (with no ads), discounting all prior scores. In the event of a rain delay, match scores will continue, but all games not completed will be restarted. The delay decision will be made by tournament manager. If the courts need to be squeegeed a five minute warm-up will be given.

14. Matches will begin at 8:30 AM on Thursday and 8:00 on Friday, and Saturday. This is subject to change depending upon weather conditions. Match times are next up format. A player has a maximum time of 30 minutes between matches. If both players are ready, a match may begin before its scheduled time.
15. The championship match will be played as scheduled. Players in the consolation match will be granted a maximum of 30 minutes of rest between their last match and the consolation. Upon the agreement of both players, the consolation match may be started sooner.

Notes: All matches will be played on all 9 courts at the University Tennis courts and the boys’ matches on Thursday and Friday will be played at Playfair Park Tennis Courts next to Sentinel High School

The awards ceremony will immediately follow the championship and consolation matches.

Court Monitor Duties: If you are requested to act as a court monitor, your duties are to provide decisions related only to the remedy asked for by the players involved.

As a linesman you overrule a call only when requested to do so.

If you are requested to monitor foot faults or net violations, you will make the call immediately, as a delayed call will impede the progress of the game.

Please introduce yourself to both players. Remember your purpose is to ease any tensions, not increase them.

Please Note: Court monitors can be called at any time. Please be very familiar with the site rules and especially with the job description given for court monitors. Be sure you have a tournament program with you at all times. The site rules are printed in them and will be strictly adhered to. Follow them closely. Any problems not addressed in the program should be referred to the head official at the site and ultimately to the tournament manager. Thank you so much for your help.
