North West Divisional "B/C" Tennis Tournament - 2011

Tournament Manager: Jim Gregg – CB & Don Paulson - CB

Tournament Director: Joan Jensen - Conrad

Location: Cut Bank Tennis Courts – Cut Bank, MT

Welcome to this year's Divisional Tennis Tournament. Our division will qualify **Six (6) singles - girls and four (4) doubles - girls** for the 2011 State B-C Tennis Tournament in Missoula on May 19-21st. All singles and doubles from each boy's team will advance to the state tournament.

It is the responsibility of the Coaches to make sure their players are aware of all the tournament site rules. Please go over this information and be sure they understand all of the contents. A short meeting with the players will be held to answer any questions, but the rules need to be covered by the coaches prior to tournament play.

NORTHWEST DIVISIONAL TOURNAMENT SITE RULES

PLAYERS:

1. Competitors' conduct
 - All tennis players in MHSA sanctioned tournaments shall be penalized one team point (on the first infraction) and removed from further play (on second infraction) for any unsportsmanlike conduct on site after a match or before the next match or at the end of the tournament. During the match, players are under the Tennis Code of Conduct / point penalty system of the USTA. Any coach, who personally observes misconduct may invoke the point penalties, provided they report their action to the tournament manager/site director.
 - Each tennis court should have a site director and that director should be in charge of administering the penalty system above for violation/abuse of any equipment or facilities, abusive language, abusive gestures, and other obnoxious, offensive behavior.
 - Unsportsmanlike conduct on the tournament site includes, but is not limited to, the following examples: throwing rackets or any equipment, swearing, intentionally hitting game balls out of the court, being abusive to tournament officials, and fighting.
2. It is the responsibility of the players to report to assigned courts at the proper times. Matches will be played on a next-up basis. If a player is more than 10 minutes late, he/she will forfeit that match. Coaches are responsible for assuring players are on the appropriate court at the appropriate time.
3. A player may request a one-time, three-minute injury time-out from an official.
4. Hair devices made of soft material or unadorned hair devices, such as bobby pins, barrettes, or hair clips, no longer than 2 inches, may be worn to control a player's hair. Hair adornments made of soft material and no more than two inches wide may be worn.

5. Jewelry Policy - No jewelry, which includes visible body piercing objects, shall be worn in any sport. Any piece of jewelry that is visible at the start of or during a contest is in violation of the MHSAA Jewelry Policy. Religious medals must be taped to the body and under the uniform. Medical medals must be taped to the body so they are visible.

If a competitor is observed wearing jewelry during competition the competitor, without delaying competition, shall remove the jewelry before any further competition. If it can't be removed, the competitor will not be allowed to compete until he/she is legally equipped. The tournament manager shall record the name of the competitor, school, event, time the violation occurred and description of prohibited item.

The tournament manager shall then notify the head coach of the offending school of the violation. The tournament manager will keep track of the competitor, school, gender and time of day the time warning was given. Any further violations of wearing jewelry by that member of the team shall result in disqualification of the competitor from the event. The protocol for communication of a violation will be established by the tournament manager before the tournament begins.

6. Tennis Code of Conduct/Point Penalty

(There shall be no warnings for the first offense. Penalties become immediate and carry over throughout a tournament.)

7. Warm-ups (to include serving and net play) will be restricted to 10 minutes. Players may prepare for their pre-match warm-up by “loosening up” on the grass adjacent to the courts.
8. Match balls must be picked up at the scoring table before the match begins
9. Servers **MUST** call out the game score, loudly and clearly, each time a point is played. Players receiving serve are expected to **aggressively request** the server to call out the score if it has not been called out clearly. Players are requested to utilize the score cards located at each court.
10. Winners of each match must report directly to the scorer’s table with the game balls at the conclusion of the match and report the match results
11. Players call their own games as far as line judging is concerned. Players or coaches may initiate requests for the assistance of a site official (line judge, rules or score disputes, etc.)
12. Should any problems arise, a tournament official may be contacted.

Basic Tennis Etiquette and Procedures for Players During Matches

Making Calls

1. A player makes calls on his/her side of the net - promptly.
2. A ball landing on the line is good.
3. Opponents get the benefit of the doubt.
4. If a ball can’t be called out with certainty, it is good.
5. The call of a player looking down a line is much more likely to be accurate than that of a player looking across a line. When you are looking across a line, don’t call a ball out unless you can clearly see part of the court between where the ball hits and the line. It is difficult for a player who stands on one baseline to question a call on a ball that landed near the other baseline.
6. Partner’s disagree on calls. If a player and his/her partner disagree about whether the ball was out, they shall call it good.
7. Audible or visible calls. No matter how obvious it is to a player that his/her opponent’s ball is out, the opponent is entitled to prompt audible or visible call.
8. Spectators are never to make calls.
9. Lets should be called when balls roll on the court. The server receives 2 serves.

Serving

1. Foot Faults - A player may warn his/her opponent that the opponent has committed a flagrant foot fault. If the foot faulting continues, the player may attempt to locate the site director.
2. Service calls in doubles - The receiver's partner should call the service line, and the receiver should call the sideline and the center service line. Either partner may call a ball that he/she clearly sees.
3. Service calls by the serving team - Neither the server nor his/her partner shall make a fault call on the first service even if they think it is out because the receiver may be giving the server the benefit of the doubt.
4. Receiver readiness - The receiver should make no effort to return a serve when he/she is not ready. If a player attempts to return a serve, it is presumed that he/she is ready.
5. Delays during service - When there is a delay between the first and second serves:
 - The server gets one serve if he/she was the cause of the delay.
 - The server gets two serves if the delay was caused by the receiver or if there was outside interference.
6. Service let calls. Any player can call a service let.
7. Players are not allowed to stand in the receiving court during service. Additionally, a receiver's partner shall not:
 - Move in or around the receiving box, causing a distraction
 - Wave equipment in and out of the receiving box, causing a distraction
8. Rectifying mistakes - The general rule is that errors are rectified as soon as they are discovered but not during play, and points remain.
 - If a server serves from the wrong court, the point stands and he/she serves the next point from the proper court.
 - If in doubles, the wrong person serves, the game stands and his/her partner serves the next game from his/her side. If discovered during the game, the partner whose turn it is to serve, takes over.
9. Discarding a second ball - The server's discarding of a second ball may constitute a deliberate hindrance. If the receiver asks the server to stop discarding the ball, then the server shall stop the practice.

Grunting

1. A player should avoid grunting and making other loud noises. Grunting and other loud noises may bother not only opponents but also players on adjacent court.

Line Judges

1. If line judges are placed on the court, the players continue to call their own lines. Line judges over-rule only if players ask for help.

COACHING INFORMATION - the MHSAA has instituted this best practice in relationship to coaching rules in all classifications of MHSAA tennis:

- Eligible member school tennis coaches are permitted to talk with their player(s):

- ✓ At 90 second change overs, except following the first game of a set. During shortened sets, coaches will be allowed to coach after the first game when the score is 3-2.
- ✓ At 120 second change set break (end of set)
- ✓ At split sets 10 minute rest period when playing regular 3rd set or 120 seconds with match tiebreaker

NOTE: Coaches may **not** coach players during a bathroom break or a medical timeout (during a medical timeout, coaches can treat players for an injury, just not use this as a coaching opportunity) (per USTA rules)

- Locations where coaching can occur:
 - ✓ Outside Courts – coaching will be at the fence, not on the court
 - ✓ Inside Courts – Tournament managers will determine the coaching locations
- Who can coach - to be an approved coach, an individual must:
 - ✓ Be approved by their local school district administration.
 - ✓ Have passed the MHSA Coaches Education Program.
 - ✓ Have been a bona fide member of the coaching staff during the season.
 - ✓ Have proper identification
- Coaches are expected to help with the crowd control at the sites.

SCORING:

1. Scoring Devices - Scoring devices are available to keep score at each court. Players are to use them.
2. The tie breaker system in use will be the USTA 12-point tie breaker system.
3. To determine divisional champions, each school's team shall be awarded two advancement points for every player advancing on the winner's bracket and one advancement point for those advancing on the consolation brackets, one point also for defaults, forfeits and disqualifications. Byes receive two points on the winner side of the bracket if the player who receives the bye wins the next round and one point if the player who receives the bye wins the next round on the consolation side of the bracket. Other points awarded shall be first place, 10 points; second place, 7 points; third place, 5 points; fourth place, 4 points; fifth place, 3 points and 6th place, 1 point.
4. Decisions - The decision must be made on each play. There is no replay of a point except in the case of a let. Only coaches and players can ask the site director to put a judge on the court to make calls if a problem arises.

MEDICAL INFORMATION AND MEDICAL TIMEOUTS

- In the event of injury, the player must be able to play within 15 minutes or the opponent may win by default.
- The time starts when trainer or coach arrives at site.
- A maximum of 5 minutes for the diagnosis and treatment.
- Maximum amount of time is 3 minutes for treatment
- Bleeding timeout – treatment time ends when bleeding has stopped and playing area has been cleaned. Maximum amount of treatment time is 15 minutes.

SCHEDULING:

1. In the event of inclement weather and need to run an abbreviated format and schedule, a consensus among the coaches will be determined. If the weather eliminates the possibility of an outdoor tournament, we may use the two (2) indoor courts at Willie DeGroot Gymnasium.
2. Boys' matches will begin at 9:00 am on Friday and at 8:00 am on Saturday. Match times are next-up format. The times provided in your schedule are tentative at best. USTA rules state there is a minimum of 60 minutes rest between singles matches and a minimum of 30 minutes rest for doubles matches if competitors are playing full matches (including any matches using a match tiebreak for the 3rd set). In the case of shortened matches, (prosets or 4 game sets), the minimum rest time for both singles and doubles is 30 minutes. Exceptions may be made at the discretion of the site tournament director OR if both players are ready, a match may begin before its scheduled time.
3. The Awards Ceremony will immediately follow the championship and consolation matches.
4. Coaches – read through these rules and regulations with your players prior to the start of the tournament. Be sure your players understand their responsibilities.

INDOOR CONTINGENCY PLAN

NORTH/WEST DIVISIONAL TOURNAMENT

If we are forced indoors due to weather:

We have two courts set up inside the Willie DeGroot Gymnasium. We will utilize these courts if we are forced inside due to weather.

Prior to the start of the tournament:

We will follow the outdoor schedule and put matches on accordingly. (GS1 followed by GS2, GS3, etc. All matches will remain on a next-up basis.) When a decision can be made to move matches outdoors, those matches in play on the indoor courts will be completed first and then the boys indoor schedule will be put into place.

Next up matches for the girls will be placed accordingly on the four outdoor courts.

Once the tournament has been started and we are interrupted by weather which forces play indoors:

We will conclude any boys' matches being played first. Then the matches that were in progress will be put on the indoor courts following an order determined by the tournament manager. Play will resume at the point match play was halted outdoors (after an appropriate warm up period). Once the four outdoor matches have been concluded indoors, we will follow the girls' outdoor schedule accordingly on the two indoor courts.

When a decision can be made to move matches back outdoors, those matches in play on the indoor courts will be completed first and then the boys indoor schedule will once again be put into place indoors. Next up matches for the girls will be put on accordingly on the four outdoor courts.

Coaches will meet to determine any change in format and length of playing day if necessary.

We are very fortunate to be able to play our tournament indoors if necessary. This is a major reason why I have pushed to have the Divisional Tournament played in Cut Bank. Hopefully, we will not have to resort to indoor tennis at Divisional time for our girls but if we have to, we are prepared and able to play tennis!
