Dear Coaches,

Conrad's Tennis Invitational is set up in a team dual format. Each team will play the other 4 teams in the dual competition.

All matches will be played with NO-ADD scoring in a 6-game PROSET format. A 12-point tiebreak at 5 games all will be played if necessary. Warm-ups, including serves, are limited to 5 minutes. Team points are awarded for each match victory in the dual competition.

The match schedule is below. Players are expected to be on time due to the numerous matches scheduled and limited court space. A disqualification time of 5 minutes will be in effect. The winner of each match will return the tennis balls and report the score to the head table upon completion of the match.

Bathrooms are located on the west side of Prairie View Elementary School, in the gym. We ask that all teams help keep the area around the courts clean and use the provided garbage bins. **Please tell all parents and bus drivers that parking along the grass side of the tennis courts is prohibited.** There are two parking areas to use; one to the east and one to the south side of the tennis courts at Prairie View. ***Note: The north parking area may not be available due to muddy road conditions and the risk of getting stuck. No buses should park in the north lot.***

Any questions or information regarding the tournament can be sent to coach Krystal Smith at krystal.smith@conradschools.org.

Best of luck to each team during the 2019 MHS A tennis season!

Sincerely,
Krystal Smith & Lyndee Golden
