

2019 HAVRE TENNIS INVITATIONAL

April 6, 2019

Bill Vaughey Memorial Tennis Courts and MSU-N Tennis Courts

Coaches, Welcome to the 2019 Havre Invitational. Once again, we will be hosting Hardin, Belgrade, Cut Bank, Conrad and Lewistown in an invitational tournament. Below is information you need to know for our invitational.

FORMAT: At the high school tennis courts we will run brackets for boys and girls 1-2 singles and brackets for boys and girls doubles. At the college, we will run round robin singles matches for boys and girls singles 3-4. So, you may enter four singles players for boys, four singles players for girls and three boys and three girls doubles teams. The brackets at the high school will be double elimination.

SCORING: We plan on all matches being six-game pro set, no-add scoring with 7-point tiebreakers at 5-5. A strict five-minute warmup must be enforced. Time permitting, we will hopefully be able to make the four championship matches either 8-game pro sets with no-add scoring, or two sets with no-add scoring and a 10-point tiebreak if sets are split. Please be

advised that, weather delays, or falling too far behind may force us to alter scoring in at least the consolation bracket matches.

LOCATIONS: Our four main tennis courts are located directly across the street from the front of the high school. Bathroom facilities will be located inside Havre High. The MSU-Northern courts are located on the south side of the Armory Gymnasium on Northern's campus. Bathroom facilities will be inside the Armory Gymnasium.

START TIME: We must call the first matches of the day at 7:55 a.m. and begin play sharply at 8 a.m. I know that's early, but, it's what's required. Please plan on the tournament at the high school lasting until sunset.

ENTRIES: If you could please e-mail the names of your participants by Wednesday night, April 3rd, that would be a huge help in me being able to get brackets and packets done.

Once again, I am so excited to HOPEFULLY host our invitational this year. Keeping fingers crossed for cooperative weather. Thank you all for coming, and if you have any questions prior to our invite, feel free to call me at 390-4142.

Sincerely
George Ferguson
