

The Dawg Bite is upon us and I am excited to host this event. Fee is 100 dollars per team....boys and girls are considered one team so everyone pays 100. I have negotiated the price down with Helena so it is not so expensive. Reminders are below....if you are not playing or courts are open go set up a match. The boys will be at Jefferson since it is 30 miles away we do not want to lose girls travel time back and forth to Jeff Co. Attached is the schedule and some rules. Looking forward to 18 girls and 10 boys teams playing in our capital city. I have extended the time at a facility and put more teams in a spot if you do not need to play a certain team do not play them.

BOYS NOTES: On day 1, at Jefferson the play will start at 8:30 --- for those traveling long distances please indicate to Deric Holden what time you are arriving and he will schedule you in later. The boys will be playing brackets singles and doubles. Please email Deric Holden at deric.holden@gmail.com with the following information
1. arrival time 2. Names and ability of your players (also indicate if they are doubles or singles).

Girls Notes: No entry required - show up and coaches set up matches. Be kind and don't take over a facility and dominate court time. If 4 teams are at a 4 court facility then 2 teams can dual on 2 courts or give one court to each team and they have that court and can grab whatever matches they want. Just be kind and patient!

1. Scoring will be abbreviated sets starting at 2-2. Traditional 3rd set tie break.
2. I added some teams so it is pretty tight-schedule is not perfect but it is a logistical nightmare creating a tourney at this many locations with so many locations. The intent is to get teams together from across the state---if you need a match with a team I have openings to play those matches. It is amazing we have teams from Baker to Wolf Point to Troy. This is a great vision of our state!
3. Teams supply own balls.
4. Adhere to time schedule and be on time for matches!
5. If a court time slot is open it is available for exhibitions.
6. If moving locations in back to back matches consider taking team in 2 waves so the dual can start as the other one can finish.
7. Pick up own trash!
8. **Entry fee is \$100 per team. Please make check to Broadwater High School and mail to 201 North Spruce Townsend MT 59644.**
9. When B-C teams play it will be singles 1-4 and doubles 1-2.
10. **My phone number is John O'Dell 980 1584 call with questions or if you want to buy me lunch.**

To everyone who will be dropping boys in Boulder. Our courts are just across the highway from the high school (see picture).

There are two bathrooms available but parking is limited. I'd suggest any buses or large vehicles park at the high school as indicated on the picture included.
